

Child Photograph / Video Release

I hereby grant permission to the Louisiana Assistive Technology Initiative (LATI) and the Louisiana Department of Education (LDOE) to use, (including publicly display or present) my child's photograph, video, or audio clip in presentations, trainings, the LATI and LDOE web pages, or in other official LATI and LDOE publications, without further notice. I acknowledge LATI and LDOE have the right to crop, edit, or treat the photograph, video, or audio clip at its discretion.

I also understand that once my child's photograph, video, or audio clip is published on a web site, any computer user, on or off a school or department campus, may download it. Personal information, such as a child's full name, parent's names, addresses and telephone numbers will never be published. If a child's name is used with a photograph, video, or audio clip, it will be in the form of a first name and last initial. For example, student Jane Doe may be listed as "Jane D."

Therefore, I agree to indemnify, defend and hold harmless the Louisiana Department of Education, the Louisiana Assistive Technology Initiative, Regional Assistive Technology staff, employees, agents, successors, and assignees (the "indemnified Parties") from and against any and all claims and liabilities resulting from this publishing.

Permission is granted for the use requested above.
